CAPTAIN CANOT, UTHOR OF THE GREAT BOOK JUST BE-A IN PUBLISHED, SPEAKS of HAMPTON'S

GREAT CURE OF REBUMATISM CONTRACTED UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854. Mr. Rockbridge, of the Fountain Hotel, Light street,

Dear Sir: Being on the point of leaving the city, I avail myself of a few idle moments to thank you kindly for the medicine you sent me, and shich has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. table Tincture my confidence is so strong that, in gratitude to the proprietors of said medicine, I beg you to present my respects to them, and induce them to make it more publicly known as a sure kheumatic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, useless in all my li abs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had it not been for your strong and forcible recommendations I should still have been in bed.

It is really a pity this specific should not be approved by medical men, and like all patent drugs it should suffer the imputation the public generally give to such preparations. I myself, who was always opposed to a patented specific, took this medicine with reluctance, and without confidence in it and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really beneficial Vegetable

You may inform Messrs. Mortimer & Mowbray that they are at liberty to make use of my name in Vegetable functure, as it has cured me in five weeks of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodical duration. I have only used three bottles, and find that even the deformed parts of my hands are fast returning o their former natural appearance

I have been under the treatment of several phy-Sicians in London and Paris, without any apparent benefit; also, while in New York, having tried the Thompsonian and Homospathic remedies, after having been tormented with galvanic batteries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so far cured by this Hampton's Vege able Tincture only. Therefore, my ear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CANOT.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, VA , Aug. 18, 1861. Mr. J. E. Boush-Dear sir: While I am, in gene ral, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, dizziness, and general de-bility, with entire success. So far as my experience exten is, therefore, I take pleasure in recommend-ing it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,
VERNON ESERIDOR,
